

Associate Attorney – Build Your Practice Within a Growing Firm

Location: Maine Elder Law Attorneys, P.A., Skowhegan, ME.

Are you a motivated attorney looking for more than just a “job” with the opportunity to help shape and grow a practice with a focus?

This Firm is a forward-thinking, expanding law firm in mid-central Maine. We are in the market for a mid-level Associate Attorney who thrives:

- In a supportive, entrepreneurial environment
- Is interested in our current and target service areas including probate cases, estate and asset protection planning including estate administration services, and related client advisory work, and litigation skills.
- Has strong core legal skills, sound judgment, and a desire to grow a career into these services.

The Opportunity

- Be part of a firm with a clear growth and expansion strategy
- Work directly with clients while helping develop and refine service offerings
- Join a supportive infrastructure with a full-time Practice Manager and paralegal team
- Work with experienced attorneys in a collegial, low-ego environment
- Early equity participation potential for the right long-term fit

Qualifications

- A Maine-licensed attorney (or able to become licensed)
- Strong in fundamentals: communication, analysis, and client service
- Interested in developing or deepening expertise in probate, estate and asset protection planning including estate administration services
- Comfortable in a hybrid work model
- Energized by growth, collaboration, and building something meaningful

Compensation

- Competitive compensation
- Equity pathway available early for the right candidate
- Flexible hybrid work within firm policies

Robust administrative and paralegal support Interested attorneys - direct your inquiries to Lynette Landry, Practice Manager at lrandry@melalegal.com All inquiries will receive a response to their inquiry.
